2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: Multiple claims have text that is both underlined and marked as deleted both through brackets and striking through the text. It is impossible to tell what text is being added and what is being deleted in the current set of claims. Applicant should either submit a clean set of claims in addition to the marked up set of claims, or alternatively, submit a marked up set of claims that omits the underlining that was present in the originally filed claims for the 371 application.
